---

To the inhabitants of the town of Haverhill qualified to vote in town affairs:

You are hereby notified to meet at the town hall in said town on Tuesday, the 12th day of March, 1929, at ten o'clock in the forenoon, to act on the following matters:

Article 1. To choose a town clerk

Article 2. To hear the reports of the selectmen, treasurer, cemetery commissioners, and any other town officers heretofore chosen, and to pass any vote relating thereto.

Article 3. To chose one selectman for the term of three years, a town treasurer, one or more highway agents, one or more auditors, one library trustee for the term of three years, one cemetery commissioner for the term of five years, one trustee of trust funds for the term of three years, and all other necessary town officers.

Article 4. To raise and appropriate money for the support of the poor.

Article 5. To raise and appropriate money for the maintenance of state trunk line roads.

Article 6. To raise and appropriate money for the construction of state aid roads.

Article 7. To raise and appropriate money for the maintenance of state aid roads.

Article 8. To raise and appropriate money for removal of snow on trunk line and state aid roads.

Article 9. To raise and appropriate money for laying out, building and repairing highways and bridges.

Article. 10 To see if the town will vote to discon-

tinue as a public highway the road as now laid out from its intersection with the Brushwood road, so called, near the residence of John E. Gregory, to the point on said road where the buildings once owned by one Fletcher formerly stood.

Article 11. To see if the town will vote to discontinue as a public highway that part of the addition to Cherry Street, so called, in the village of Woodsville, as laid out by the selectmen in 1902, that lies southerly and westerly of the point where said highway enters land now owned by Fred S. Henry.

Article 12. To raise and appropriate money to pay interest and principal of outstanding town notes.

Article 13. To authorize the selectmen to issue interest bearing orders or notes to provide for current expenses in anticipation of taxes, and to see if the town will extend for another year the authority granted to the selectmen at the annual meeting of 1924 to issue notes or bonds covering the refunding of notes given in connection with rebuilding the Woodsville-Wells River bridge; and to pass any vote relating thereto.

Article 14. To authorize the selectmen to distribute the blank inventories at the time they examine and appraise taxable property.

Article 15. To raise and appropriate money for town libraries.

Article 16. To raise and appropriate money for Memorial Day.

Article 17. To raise and appropriate money for the cemeteries in said town, and pass any vote relating thereto.

Article 18. To raise and appropriate money for the support of the Cottage Hospital.

Article 19. To raise and appropriate money to exterminate white pine blister rust in said town.

Article 20. To raise and appropriate money for other town charges.

Article 21. To see if the town will vote in favor of granting permits to druggists for the sale of liquor in said town for medicinal, sacramental, scientific and mechanical purposes, under the provisions of chapter 144 of the Public Laws.

Article 22. To see if the town will vote to appoint a budget committee to supervise the appropriations of said town and to recommend to the next annual meeting the amounts to be raised for various purposes, such recommendations to be printed in the next annual report.

Article 23. To transact any other business proper to come before said meeting.

Given under our hands and seal this 9th day of February, 1929.

# Report of Selectmen

---

To the Citizens and Taxpayers of Haverhill.

Another year has passed and we submit our report for the year ending Jan. 31, 1929, for your inspection. Upon the following pages will be found the detailed statements.

## WOODSVILLE-WELLS RIVER BRIDGE

The Bridge case is not yet settled. During the past year we have received \$21,000. from one bonding company, and a possibility of receiving more from another. The United Construction Company have assigned their assets to the Town which consists of \$3,300 in cash and a large car load of construction equipment, which we consider worth about \$2,500. This equipment is now in storage in Woodsville. We have paid to the Town of Newbury \$7,533. being their 31% of all cash received to date. We are assured that the majority of the tax payers of both Towns are well satisfied with the outcome of the case, thus far.

## HIGHWAYS

We wish to explain that due to the flood of November, 1927, and owing to the fact that the town had no settlement with the state at the time of the printing of the last town report, it has been necessary to run the highway accounts of the two years together.

At the 1927 annual meeting \$18,000 was appropriated for highways; 51%, or \$9,180 of this amount was due Woodsville Precinct. At the 1928 annual meeting \$16,000 was appropriated, of which 52%, or \$8,320, was due Woodsville.

Owing the fact that most of the flood damage was in the Town District, we expended in the Town District during the two years \$38,663.22 or \$22,163.22 more

than was due the Town District in their appropriations covering the two years.

During the past year the Town received from the state \$8,531.09 due them on flood damage account. Of this amount \$934.90 was paid Woodsville Precinct as their part of the flood damage.

On January 31, 1929, the Town paid to Woodsville Precinct \$14,572.03 being the balance due Woodsville on the highway appropriations covering the two years.

#### STATE AID CONSTRUCTION

There has been no State Aid Construction this year except the cement bridge at Centre Haverhill.

#### MOOSILAUKE ROAD

The road from Haverhill to Pike has been nearly completed during the past year and will be completed early the coming summer. The entire cost, thus far has been paid by the state.

#### EAST HAVERHILL BRIDGE

During the 1927 flood, one abutment was severely damaged. The Town was able to cooperate with the state and a new, two-way cement bridge was built at a small cost to the Town of \$2,041.49.

#### SOUTH NEWBURY BRIDGE

A short time ago, our attention was called to the condition of this bridge. We had it examined by two engineers and it was declared unsafe for travel. A joint meeting of the selectmen of the two Towns was called, and it was decided to close the bridge until the necessary repairs could be made. These repairs are now under construction.

#### FINANCIAL

We are pleased to report a decrease in our net debt of \$9,130.18. Had it not been for the money expended on flood damage, we would have been able to have made a much larger decrease.

Again this year, we have no uncollected taxes. All

our assets consist of real estate taxes bought by the Town and amounts due from the state and county.

Much uneasiness is found among the taxpayers of our town, on account of the excessive tax rates. Most of this is due to the fact that Haverhill is supporting two High Schools, under a property valuation of much less than four million dollars. The average school rate through the State, as figured on the dollar, is approximately twenty-five cents, whereas the average rate for the Town of Haverhill is approximately fifty cents.

If our school rate was in comparison with the average school rate through the state, our general tax rates would be noticeably lower.

JONAS N. BROWN,  
ARTHUR E. DAVIS,  
WESLEY G. WHITE,  
Selectmen of Haverhill.

7. To hear the reports of all the officers heretofore chosen and to pass any vote relating thereto.
8. To receive and act upon the report of the committee appointed to look into a water supply, to discharge said committee or continue its powers for a further period or appoint a new committee; to raise and appropriate such sums of money as may be necessary to continue the investigation of Clark Pond and the Wild Ammonoosuc River as a source of water supply, to vote to acquire and use either or both said sources for a water supply; to raise and appropriate money or to issue notes or bonds of the district within the limits provided by law, to pay for the acquisition or construction of any system of water works or any other

expense made necessary thereby; and to pass any other vote relating thereto.

9. To raise and appropriate such sums of money as may be necessary to meet the expenses of the district including fire department for the coming year.

10. To see if the district will vote to authorize the commissioners to borrow on the credit of the district, such sums of money as may be needed to defray expenses until the taxes should have been collected and turned over to the district, and to issue notes of the district for all sums borrowed.

11. To transact any other business proper to come before said meeting.

Given under our hand and seal the 11th day of February, in the year of our Lord, one thousand nine hundred and twenty-nine.

## REPORT OF SUPERINTENDENT OF SCHOOLS

---

To the School Board and Citizens of Woodsville Union  
High School District:

The total enrollment for the current school year in elementary and high schools is about 25 less than last year at this time, or 425. Grades I and VII have the smallest number in any room, 29 and 26 respectively. The other grades have from 30 to 44 each.

In September there were four new teachers in the high school faculty due to voluntary resignations. The grade teachers remain the same as last year. The list follows:

Senior High School: Headmaster, G. Hampton McGaw, languages and history; Submaster, Carl E. Harriman, science and mathematics; William Bryant Jr., mathematics and manual training; Lillias R. Warren, English and Latin; Bertha C. Manchester, English and history; Marion E. Fenerty, domestic arts; Esther B. Lord, English and French; Marion F. Eastman, commerce.

Junior High School: Principal, Nettie W. McCoy, grade eight with music and mathematics in grade seven; Ruth Holt, grade seven with science and French in grade eight.

Elementary School: Helen A. Franklin, grade six; Mary Mitchell Mann, grade five; Alice D. Kennedy, grade four; Hazel McIver, grade three; Lida Caldon Webster, grade two; Florence S. Lang, grade one.

Alice M. Brown, music; Lottie M. B. Underhill, school nurse.

The average attendance for all schools for the year ending June 30, 1928 was 95.24% as compared with 96.7% for the year preceeding. There were 263 tardy marks, seven days lost on accounts of holidays and institutes, 484 visits by parents and citizens, 317 visits by the superintendent.

The income from tuition pupils, even at the very moderate rate charged has become an important asset in financing the schools. During the year, ending June 30, 1928, the tuition received from pupils in the elementary schools was \$1,033.00 and from high school pupils \$4,562.41. For the present year the income from this source will be somewhat less.

The following grade pupils had a perfect attendance record for the year of 1927-28: Blanche Adams,

Elbert Blodgett, Charlotte Boothroyd, Irving Brown, Douglass Bunnell, Hazel Butson, Lincoln Butson, Luvia Butson, Irene Chandler, Russell Dow, Luigi Ducca, George Emery, Catherine French, Donald Fullerton, Harold Heath, Norman Homans, Charles Irwin, Ruth Larty, Leona Libby, Dorothy Mann, Marion Moulton, Winnifred Moran, Henry Nelson, Howard Platts, Frank Platts, Dorothy Sheldon, Jean Stanley, Patricia Stanley, David White.

Rosie Goldfield and Clara Dodge won first and second prizes respectively in the Junior High English contest sponsored by the Woodsville Woman's Club.

I called attention last year to the unsatisfactory conditions in the high school because of the short school day of tuition pupils necessitated by the train service on the Vermont side of the river. Every effort has been made to arrange a daily program which would enable the tuition pupils from Vermont to carry on their work without curtailment. In a few cases this has been impossible. It is hardly to be expected that even the excellent pupils from our neighboring state can do a day's work in three and a half hours when it takes other good students six hours. In justice to the school and local pupils it would seem that the parents of Vermont pupils who wish to avail themselves of the Woodsville High School must take the responsibility of arranging some way of transporting their children so as to meet the requirements of the daily program or willingly accept such service as the school can give in the time the student is present.

The comparative costs of schools is of interest to the public. The per pupil cost in the Woodsville elementary schools for last year was \$50.46. Only eight of the 244 school districts in the state had a less per pupil cost. The per pupil cost in the Woodsville High School was \$125.26. The cost in 30 of the 85 public high schools of the state was less than this figure. The

larger cost in the high school is due to two items, the higher salaries of high school teachers and to the fact that the cost is spread over only about half the number of pupils. Of the total cost of the Woodsville schools at the present time one sixth of the expense is covered by the tuition received. Compared, then, with the other school districts of the state Woodsville is fairly reasonable in its demands on the tax payers.

In addition to the moderate expense of its school system some other factors are worthy of notice. The two school buildings are an ornament to the village and well adapted to needs of the schools. The two janitors, William Fillian and William Burbank, give unusual service in keeping the buildings neat, attractive and comfortable. The pupils as a class are capable and unusually responsive. The teachers are loyal, diligent and competent and are achieving excellent results. The public in general shows the right spirit in its varied contacts with the schools. I for one am perfectly satisfied to have my children educated in the Woodsville schools.

Respectfully submitted,

NORMAN J. PAGE.

## REPORT OF THE HEADMASTER

---

To the Superintendent of Schools:

I offer herewith my eleventh annual report of the Woodsville High School for the year ending January 25, 1929.

The number of pupils registered this year is sixty-eight boys and eighty-six girls, a total of one hundred fifty-four, which is three more than last year. Three boys and ten girls have withdrawn from membership, leaving 141 on the list. There are at this date two post-graduates, thirty-one seniors, thirty juniors, thirty-one second year, forty-seven first year. There have been seventy-two names on the tuition list.

On June 22, 1928 was graduated the thirty-second class, comprising twenty-seven members. This makes the total number of graduates four hundred and forty-four. The Class of 1928 includes Dorothy M. Baker, Nando A. Bozzini, Olive C. Brill, Evelyn L. Bullard, Helen S. Butson, Edith F. Chamberlain, Leo C. Christopher, Flavia J. Colby, Muriel N. Demeritt, Robert L. Dill, Walter B. Foster, Secondo A. Garbati, Laurette J. Gobeille, Dora M. Goldfield, Audrey M. Keyser, Lillian A. Mann, C. George McLure, E. Sumner Miller, Thomas Nicol, Burnell C. Norris, Marjorie S. Pebbles, Richard M. Prescott, Alberta F. Smith, Joanna M. Tewksbury, Leona N. Weston, Mildred L. Wheeler and Jessie B. Woodward. First place in scholarship average was taken by Nando Bozzini, and second place by Leona Weston. The Alumni Attainment Medal was awarded to Marjorie Pebbles, presentation being made by Martin Howland of the class of 1899.

The annual Prize Speaking exhibition took place in the Opera House on May eleventh, 1928. There were thirteen contestants. First prizes were awarded to Ruth Sheldon and to Harold Derby and second prizes to Helen Tillotson and to Robert McLaughlin. This school

sent Joanna Tewksbury as a representative to the state wide prize speaking contest last March at the University of New Hampshire and she won second place in competition with pupils from thirteen other schools.

The plan adopted this year of a week of vacation at Thanksgiving, at Christmas, at Washington's birthday, and at Fast day, makes a better distribution of the school work, allows a grateful recess in the midst of the long term, and is altogether satisfactory.

A Go-to-College day has been observed in recent years, and on this occasion all pupils have been instructed in the reasons for further schooling, the requirements for admission, and the method of securing entrance to any chosen institution. Circulars describing the requirements for graduation from high school, and for obtaining college entrance certificates have been sent home so that parents might become familiar with these matters.

The Alumni reunion during Christmas week is always a successful affair, and keeps alive interest in the work of the school. Lyceum programs have been given once a month; the Cycle is completing its tenth year of publication; during the fall term the orchestra enjoyed the leadership of Perley Klark, who twenty years ago founded the first orchestra in this school; some fifty pupils presented an operetta, "The Gypsy Rover," repeating the performance in South Ryegate; numerous other literary and social events of the year were given in accord with the regular calendar.

All details of the school activities are recorded in the official scrap books; explanatory circulars for use at home are issued from time to time; visitors are always welcome and will gladly be shown the rooms and the school in operation.

Respectfully submitted,

G. H. McGAW.

The circulation for the year was 11,870. 471 volumes were non-fiction, mostly used by teachers and for school work. 163 new books have been purchased and 40 volumes have been donated, also a few magazines. The reading table has been used very much of the time and much enjoyed by both old and young.

What we hope will prove a leak-proof roof has been placed on the building. This carries a fifteen year guarantee and should prove a good investment.

## TOWN SCHOOL DISTRICT WARRANT

### STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District of the Town of Haverhill, who are qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall, in said district, on Saturday the 23rd. day of March 1929 at 19 o'clock in the forenoon to take action on the following:

Article 1. To choose a moderator for the ensuing year.

Article 2. To choose a clerk for the ensuing year.

Article 3. To consider the reports of the School officers to June 30, 1928 and pass any vote pertaining thereto.

Article 4. To choose a Treasurer for the ensuing year.

Article 5. To choose a member of the School Board for the coming three years.

Article 6. To choose an auditor for the ensuing year.

Article 7. To see what action the district will take relative to maintaining a School in the Ladd Street School House in said district, to raise and appropriate money for that purpose, and to pass any vote relating thereto.

Article 8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of pub-

lic schools and payment of the statutory obligations of the district, as determined by the school board in its annual report.

## REPORT OF THE SCHOOL BOARD OF HAVERHILL

---

We, the undersigned members of the Haverhill School Board beg to submit the following report. During the past summer the School Houses in Districts No. 5 and 9 and 15 were shingled and other necessary repairs were made on these buildings.

At the North Haverhill School House the walls and ceilings in the different rooms were re-tinted.

On strength of the vote taken at the last District Meeting the School Board entered into an agreement with Grafton Lodge No. 46 A. F. & A. M. whereby latter remodeled the second floor of Pearson Hall for its new apartments at its own expense, and eventually the School District will enjoy a monthly income of \$25.00 for rental.

Owing to these changes in Pearson Hall it was found necessary to construct a room on the top floor of Haverhill Academy Building for the Domestic Science classes. New plumbing was also installed in that building.

The attention of the Voters and Taxpayers is called to the reports of our Superintendent and of the Headmaster of Haverhill Academy as regards school matters in general.

Attention of the Voters is called to Article 7 in the School Warrant published in this report. This Article

was inserted on strength of a petition to the School Board by the inhabitants of Ladd Street District. In the opinion of the School Board it would not be wise to re-open the School House in said District as a matter of \$10,000. was spent two years ago to remodel the lower floor of Pearson Hall into three grade rooms whereby the pupils of Ladd Street District are well taken care of, and to judge from the satisfactory way in which these three rooms have functioned since their inception it would certainly be a step backward to re-open the Ladd Street School. Furthermore extensive repairs would have to be made in order to satisfy the requirements of the State Board of Education.

In order to acquaint the Tax Payers with the financial condition of the District at the present time we call their attention to the financial statement published in the report.

We also desire to call the Voters and Tax Payers' attention to the budget for the fiscal year from July 1, 1929 to June 30, 1930.

The retiring member on the Board is Mr. E. Blank.

Respectfully submitted,

E. BLANK,  
DANIEL CARR,

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

---

To the School Board and Citizens of Haverhill School District:

I herewith present my eighteenth annual report.

The total enrollment for the current school year is 420 which is 13 more than at this time last year. This number includes 5 tuition pupils at East Haverhill and ten tuition pupils in the Academy. To be added are 6 tuition pupils attending Woodsville High from the Four Corners, 5 attending the Woodsville Junior High, and nine the Woodsville Grades. Three pupils from the Pond Road are attending school at Swiftwater.

The number of pupils in each school with the name of the teacher follows. Haverhill Academy, 83 pupils, Friend H. Jenkins, Headmaster; Albion Goodwin, Doris Leach, Ruth Jenkins, Edith Morrill, assistants; Haverhill Grammar, Minnie Morris, 28 pupils; Haverhill Intermediate, Rosie Russell, 24 pupils; Haverhill Primary, Maxine Anderson, 26 pupils; Pike Grammar, Cora Hayward, 29; Pike Primary, Mabel Tragansa, 29; East Haverhill Grammar, Marjorie Deming, 24; East Haverhill Primary, Dorothy Carter, 12; Number Six, Elma Howard, 24; Number Ten, Grace Winchester, 16; The Center, Genevieve McDermott, 25; Brier Hill, Helen Gibbons, 16; North Haverhill Grammar, Alice Fountain, 25; North Haverhill Intermediate, Doris Darling, 23; North Haverhill Primary, Sadie Carr, 36; Manual Arts and Domestic Arts at East Haverhill, Pike and North Haverhill, Marian Wilbur.

The average attendance for 1927-28 was low with a record of 91.38% for all schools. There were 811 tardy marks as against 564 for the previous year. Bad weather, holidays, and teachers' institutes took 5.5 days from each school. On the whole the attendance record was not satisfactory. The records show 1,024

visits from parents, citizens and others with 350 from the superintendent.

The following pupils had a perfect record of attendance for the year: Arden Atkins, Lindol Atkins, Carroll Downing, John Getchell, Virginia Howe, Norma Hough, Floyd Lane, Bernard Lavoie, Harriet Merrill, Frances Reed, George Tyler, Lucia Willard.

Nineteen pupils were promoted from the eighth grade to high school: Henry Andrews, Katherine Applebee, Lindol Atkins, Alice Church, Roland Clough, Ione Keith, Elsie Nelson, James Newton, Kathleen Norcross, Raymond Pike, Bert Robinson, George Rollins, Mary Royston, Kenneth Tyler, Lucia Willard, Linwood Willis, Wilma White, Eliza Wright, Lillian Wright.

The average cost per pupil at Haverhill Academy for 1927-28 was \$182.33. There are 85 approved public high schools in the state and 13 of these have a higher cost than Haverhill. Deducting the cost of transportation which amounts to \$38.84 per pupil based on an average membership, the cost per pupil is very near the median for the state. The cost per pupil in the elementary schools was \$84.57. Of the 244 school districts of the state 107 had a higher cost. The large number of schools in Haverhill must be more expensive than in a system like Woodsville. With about the same enrollment Woodsville has 8 teachers to Haverhill's 14 with far less expense for incidentals and up-keep. In previous reports I have suggested possible combinations of schools or grades which would lessen the expense. These opportunities are still open.

My attention was recently called to the fact that in the Haverhill school district 56 cents of the tax dollar went for the support of schools. In the biennial report just issued by the State Board of Education I note that the tax cost per \$1000 of equalized valuation for 1927-28 was the highest in Haverhill of any district in the state. The reason for this exceptional record was

because the district received much less state aid than ever before. The state objected to helping support so many schools for the number of pupils involved. For this reason Haverhill is at a disadvantage in comparison with other state aided districts. State aid does not lessen the cost of schools but does lessen the burden of taxes.

After all is said the cost of the Haverhill schools can not be called excessive compared with the other schools of the state, yet I believe every means should be taken to economize as far as possible without lessening the efficiency of the work of the schools.

Respectfully submitted,

NORMAN J. PAGE

## REPORT OF HEADMASTER

---

To the Superintendent of Schools:

I offer herewith my fifth annual report of Haverhill Academy and High School for the year ending January 31, 1929.

The enrollment for the year is eight-three. Nine less than last year. The decrease in numbers is due to the relatively large number of pupils who dropped out last year rather than to a smaller entering class this year.

Of the eighty-three pupils enrolled twenty are seniors; nineteen are juniors; sixteen are sophomores and twenty-eight are freshmen. There are ten tuition pupils. Six coming from Piermont; two from Wentworth and one each from East Corinth and Fairlee, Vt. There are forty-two girls and forty-one boys.

Sixteen pupils graduated in June :Ethel Blaisdell, Stanley Brown, Paul Carter, Albert Dargie, Dorothy DeMerritt, Berdie Dennis, Blossom Dennis, Ethel Fisher, Dennis Hobbs, Iva Hoyt, William Lange, Lucy Mc-

Kean, Harold Moses, Beatrice Pierce, Wilfred Ross and Katherine Winn.

First honor in scholarship was won by Harold Moses and second honor by Dennis Hobbs. Third and fourth by William Lange and Stanley Brown respectively.

At present six of the graduating class are attending post-secondary or special training schools.

Two minor changes have been made in the regular course of study. In the place of the full year course in Economics and Business Practices a half year of economics and a half year of sociology is offered, and in the place of half year courses in biology and geology a full year of biology is offered.

The average daily attendance has improved remarkably over the very low average of last year.

The usual extra-curricula and athletic activities have been maintained. It has been the policy of the present administration to continue such activities as had been established and had proven their worth and to add each year such new ones as would give all pupils an opportunity for individual and group expression. In accordance with the above policy two new organizations have been started this year. The school band and glee club.

There are at present eighteen members in the band all of which either own or rent their instruments. The members are receiving individual and group instruction weekly. The plan is so organized that there is little or no doubt but that the band will be a permanent organization. Of the eighteen members six come from the grades, and the parents of the grade pupils in the other districts who sympathize with the movement and feel that they can afford to do so are urged to encourage their children to take up some instrument. Mr. L. R. Stevens has kindly consented to direct the band as soon

as Mr. Hosford, who is now giving the individual and group instructions completes his contract.

There are twenty-one members in the glee club. The club meets each week for instruction and practice.

The school fund treasurer's books have not shown a deficit in the past four years and there has usually been a substantial balance on hand. In this connection we wish to express our appreciation of the generous support given our activities by the community as a whole.

The Academy building is urgently in need of a few minor repairs. The addition of the new domestic room on the third floor of the building has adequately taken care of the loss of that room due to the remodeling of the second floor of Pearsons Hall.

The excellent support given the teachers by the parents and community as a whole is a very satisfying expression of your confidence and has in no small measure contributed to the apparent success of the past year.

Respectfully submitted,

FRIEND H. JENKINS.
